## GENERAL SALE INFORMATION:

**PERFORMANCE DATA:** The Expected Progeny Differences (EPD's) represented in this catalog are generated through the American Shorthorn Association Digital Beef program and reflect the run as of 2/13/2019.

**American Shorthorn Association Genetic Condition Disclaimer:** Unless an animal is listed on the American Shorthorn Association "genetic condition status list", the American Shorthorn Association makes no representation of any kind as to whether or not the animal has a genetic condition.

**Air Travel:** Commercial flights are available to Columbus, OH.

**Terms And Conditions:** Terms of the sale are cash. Settlement is to be made with the clerk immediately following the sale and before cattle are removed from the premises.

**Directions:** From Interstate 71, take 17th Ave. west to the fairgrounds gate and follow signs to the livestock arena.

**Billed Accounts:** All billed accounts are due within 10 days following the date of the sale. At 10 days, a two percent service charge will be added to the unpaid balance and an additional two percent will be added every 30 days thereafter unless previous arrangements have been made with the owners or sale manager.

**Health:** Each animal will be represented by a state approved health certificate for interstate shipment. Buyers should make themselves aware of the health requirements for their respective states.

**Liability:** Each animal will be at the buyer's risk as soon as sold. Neither the owners, employees, auctioneer, sale manager or other affiliated personnel can be responsible for any accidents, but they will make every effort to provide for the safety and comfort of those attending.

**Breeding Guarantee:** The Standard Breeding Guarantee as endorsed by the American Shorthorn Association will be followed.

**Insurance** will be available for your purchases from the sale clerk.

**Announcements** made from the auction block take precedence over all printed material in this catalog.

**Mail Bids:** Mailed or telephoned bids will be handled in a most confidential manner. If you are unable to attend the sale personally, simply contact a representative of the sale far enough in advance prior to sale day. They will be able to assist you at ringside on sale day.

**Update On Breeding And Calving Information:** There will be added information available at the sale site that will list any additions to the catalog information as to new calves born and new breeding information that will occur after the printing of this catalog.

Here is your chance to get one of the first purebred Shorthorn Evolution sons to be offered. This red mating from an Augusta Pride female produced a nice athletic and big-footed male. Second time on a halter, he walked to the wash rack with ease. He has a very calm and workable temperament. This bull had scurs that were removed. Tested THF, PHAF, DSF.

This female is impeccable in her structure. Big feet, big bone and enough muscle to make a great cow. This is a rarity because she also puts it all together with a great looking package. Ginger can float around with the best of them. Full sib to the 2018 Ohio Beef Expo Shorthorn Sale highest selling heifer! Elite genetics, DIG IN! Best of the Buckeye eligible. TH Pending, PHAF & DSF.

This heifer is a powerful, deep bodied, clean fronted heifer that is out of one of our better younger cows. The sire side is getting hard to find, which makes this one a little more special. She will be a good asset to any herd and could be bred many different ways. BW: 65 lbs.

This heifer has been a stand out from day one. Her sire, PVF Alpha Dog, was a favorite in Paint Valley Farms 2017 bull sale and he has worked well for us in his first calf crop. SLB Strawberry Wine 804 has a flashy look with plenty of shape and muscle to be a functional cow. Her maternal brother from I80 was our top selling steer in Erie County last year. Being dual registered Chi and ShorthornPlus, the possibilities are endless.

I could spend a long time describing this heifer, but I think the picture does a perfect job. This is what we all hoped SFF Booster would do, the 2016 National Champion Bull stamps them out and this one is no different. Hug bodied, stout, and attractive, what more could you ask for in a ShorthornPlus heifer. Competitive in the show ring and even more productive as a cow. Bid with confidence, you won't be disappointed.

This ShorthornPlus heifer stems from our popular Shorthorn donor BOY Cumberland Love 501, known as Reba. Reba was a high seller in Boyert Show Cattle's 2015 fall heifer sale, and went on to have a successful show career for our family. This includes 4th Overall Heifer at the 2016 Ohio Beef Expo, Champion Heifer 2016 WIU Hoof and Horn and division winner at NAILE. In her short career as a donor, Reba's calves have already averaged over \$16,000. This May heifer sired by No Pressure, is a full sib to Abigail Thornton's heifer that as Reserve Plus at AGR Holiday Classic, and Champion Best of the Buckeye Plus heifer at the 2018 Ohio Beef Expo. We believe this heifer has all the right pieces to compete at any level. She is sound, huge bellied, exceptional through her front one third, and great haired. This heifer is perfect for anyone in the market for a competitive show heifer that can go on to become a real generator in your cow herd.

Here is a solid black ¾ Shorthorn heifer that is still very green; as she is a mid-June baby. Since weaning, she is coming along nicely. We feel that with time and feed she will just keep getting better. We think that as she matures, the matings are endless whether you go back Shorthorn or cross her up to go clubby.
