

 Since you asked...

Heather Lange | customer service, registrations, DNA

Got Questions? We've Got Answers!

Do you find yourself getting stuck doing your WHR assessments? Is Digital Beef confusing the heck out of you? Are you free December 1st and 2nd?! Then you should come to our annual meeting forum and awards banquet, held at Harrah's Hotel and Casino!

Rochelle Wilson and myself will be doing two back-to-back "breakout sessions" that will be covering a variety of registration questions/how-to's, as well as visiting topics regarding DNA. You can find all of the meeting information on shorthorn.org under the quick links on the right hand

side of the page. We are looking forward to meeting even more of you this year, as well as helping answer any questions you may have! Bring your laptops or tablets! See you December 1 at our breakout session: Registration & DNA Technologies in the Digital Age.
