Becoming a State Ambassador

Ambassadors are volunteers that will be a liaison for the ASA to share updated information and hand out promotional

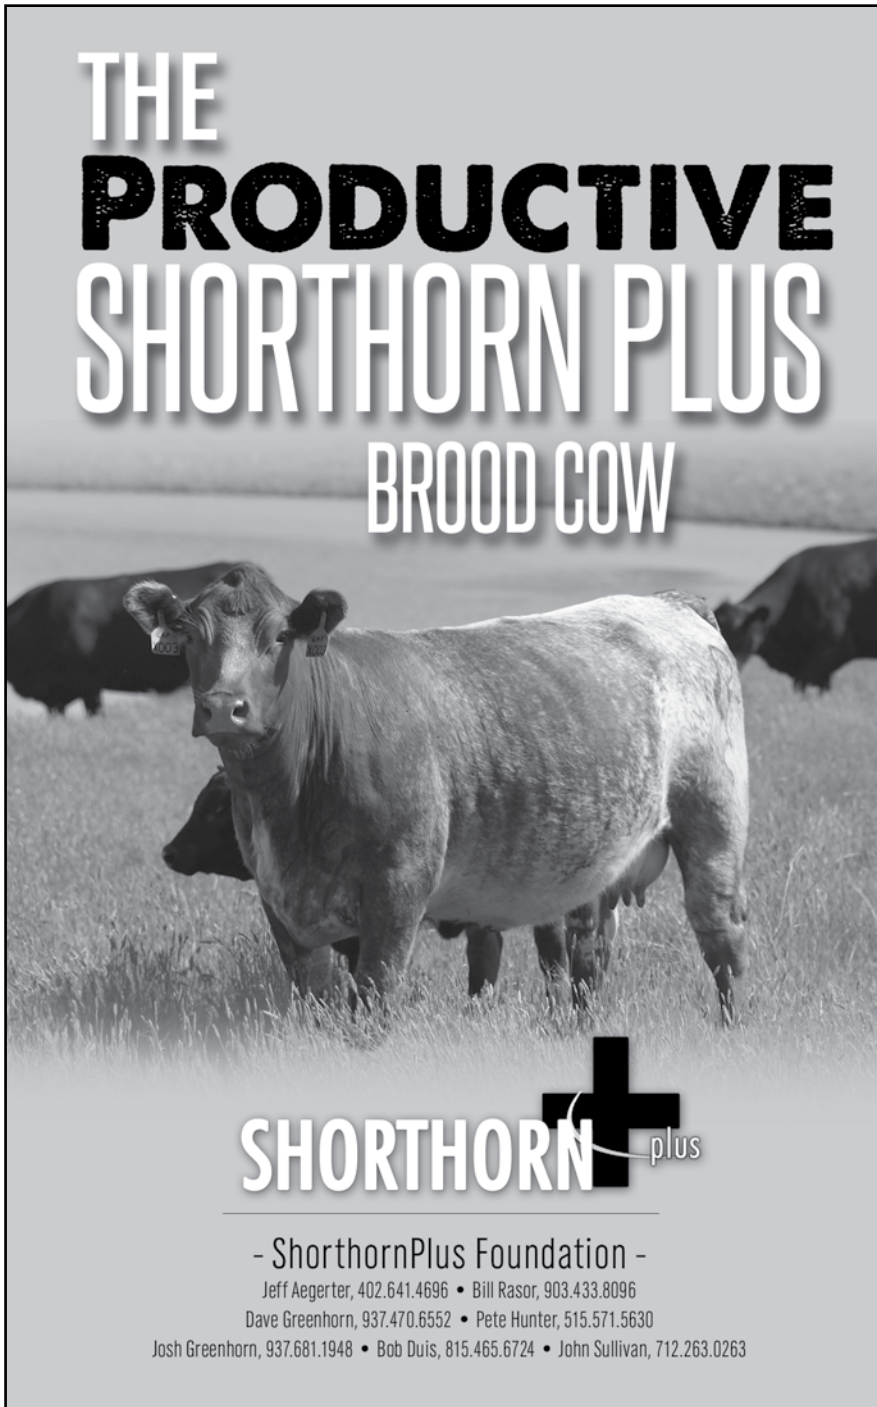

material in their state.

These ambassadors need to be members of the ASA in good standing and be willing

to attend state functions such as; field days, annual meetings, shows, sales or any other state activity requested. When given the opportunity, they should be prepared to speak to the group in attendance and share updated information sent to them from the ASA.

If this is something that sounds of interest to you, then please contact Emily at emilyv@shorthorn.org or call the office and ask to talk to her.

If you were an ambassador in 2018 and would like to continue in 2019, you must contact Emily to sign a new agreement for the 2019 year.
